Masking

The Diocese of Toronto has now entered the Green Stage, leaving all policies to the parishes. Masks, preferably N95 or KN95, are strongly recommended. Please join in heartily in our congregational singing, following suit with the choir in their masking practises.

Though distancing is no longer a requirement, please inquire of your nearest neighbours to ensure that all are comfortable and accommodated.

The Common Cup

The common cup at communion was restored as of Maundy Thursday. As has always been the case, communicants may choose to receive communion in one kind only (i.e. no one should feel obligated to receive both the bread and the wine).

As per Diocesan guidelines, communicants are asked *not* to dip the consecrated host into the chalice with their hand (the practice known as intinction) as an alternative to drinking from the chalice.

ST. THOMAS'S CONTINUES TO GROW its communications outreach and social media presence and is pleased to announce an Instagram account has been created for the Parish to present a curated photo gallery to the online world of life in our church.

Those with Instagram are invited to follow us at:
